Sprint report week 10

Innhold

When did you work with the project

We worked with this sprint during our weekly meeting, and home after school.

Sprint goal

Continue working with CSS, prepare for checkpoint and do course exercises. Start with backend.

Work distribution

Course exercises will be done individually. CSS we work with our distributed pages, and we will start with the backend together.

Accomplishment

We've gotten further with the CSS. course exercises for the checkpoint are completed. And we have started slightly with the backend.
